Our job is to provide you with the services you need to be successful.

Arnoff's job is to minimize the disruption to your job during a relocation. We are specialists in making office and industrial moves move like clockwork. Your schedule is the most important part of your relocation. We plan around it. We move around it. Whether you're relocating within your present location or moving across the country with a staff of hundreds, our precise planning, industry-leading packing and equipment-handling procedures and logistics leadership work together to get you back to work when you need to be.

OFFICE RELOCATIONS

Whether you need to move one desk or your entire business, Arnoff is on the job.

- ◀ Expert packing and unpacking services
- ◀ Custom cartons and labels provided
- ◀ Computer and technology equipment is carefully wrapped and relocated
- ◀ Artwork, mirrors, and fragile pieces are packed and handled specially
- ◀ Experienced Relocation Supervisors oversee every project
- ◀ Careful attention to protecting floors and carpets, stairways, and walls
- ◀ Fully insured
- ◀ Smooth transition from your existing location to your new office space
